

Little Way

A year of Sundays

Leader guide · Ages 9 to 12

52 weeks for families, homeschool and Sunday school

How it works

Pick an age group, then start at week 1 (or at any week). Each lesson takes about half an hour, and you can do it in less.

Every lesson has the same shape, so you can use the lessons with a mixed group: the story and verse are the same, and each age gets its own questions, activity and prayer.

Memory verses are from the King James Version. Picture stories are retold in simple words (paraphrases). Nothing is saved on your device by this section, so you can use it as a plain printed plan.

A simple half-hour plan

- Welcome (5 minutes). Greet each child by name. Say last week's verse together.
- Story (8 minutes). Read the Bible passage or the picture story aloud.
- Talk (7 minutes). Ask the two questions. There are no wrong answers.
- Do (7 minutes). Do the activity together.
- Pray (3 minutes). Pray the prayer, or let the children pray in their own words.

A note on safety

Wherever you teach children, follow your church's or organisation's safeguarding policy, and never leave a child alone with one adult. Little Way collects nothing about the children you teach.

The weeks follow the Bible's story from the beginning to the first Christians. If you want to teach Christmas or Easter at the right time, move weeks 27 to 29 (Christmas) and week 44 (Easter) to the right weeks and carry on from where you left off.

TALK ABOUT IT

- What does it tell us about God that he made so many different things?
- What does it mean that people were made to look after the world?

DO IT

Plan one way your family can care for creation this week (a clean-up, a plant, a water-saving habit).

PRAY

Maker of everything, help us to notice your work and to care for it.

FOR THE LEADER

Go slowly through the days of creation; let children name things they see. You will need: Paper and crayons, a window or a garden.

NOTES

Noah and the Rainbow

God keeps his promises, even after hard times.

MEMORY VERSE

I do set my bow in the cloud

Genesis 9:13 (KJV)

TALK ABOUT IT

- What do you think was the hardest part of Noah’s job?
- What is a promise you try hard to keep?

DO IT

Make a rainbow bookmark and write God’s promise on it. Give it to someone.

PRAY

God, help us to be people who keep our promises, as you do.

FOR THE LEADER

Keep the flood gentle for little ones: focus on the safe boat and the rainbow. You will need: Paper, crayons, a glass of water and a torch (to make a small rainbow).
